**R**esponsible metal fab provider of superior sheet metal fabrication and assembly, design-for-manufacture product development assistance and cost-effective on-time manufacturing performance that increase your company's bottom line.

**Our expertise** is helping you design parts, build them quickly, and then take these parts from prototype to volume production. We pride ourselves on our capability to manufacture and assemble a wide range of sheet metal products. We ship both locally and internationally.

**See for yourself** how we can lower production costs, shorten lead times and improve the quality of your sheet metal parts and assemblies.

- \* *Silicon Valley Location*
- \* *Rapid prototyping and Quick Turn Orders*
- \* *Volume Production*
- \* *Assembly and value-added services*
- \* *Online job tracking to monitor work in progress*
- \* *Prompt quotations - normally same day*
- \* *ISO 9002-2000*

**Integrity and Customer Service.** Computerized tracking at RMF allows us to monitor the progress of your parts in real time. Our shop floor software is state-of-the-art, and our production processes are geared toward lean manufacturing.

- \* *Work Cell Manufacturing lowers costs, eliminates bottlenecks, reduces time-to-market*
- \* *State-of-the-art shop floor control system*
- \* *Cost effective design for manufacturing solutions*
- \* *In-house painting and silk screening*

**Exceeding Your Expectations.** As your manufacturing partner our goal is the same as yours: to get your product to market on time and within budget. You can depend on RMF's best-of-class manufacturing processes and excellent quality control to ensure your products are built to your specifications and delivered when you need them.

**To arrange a tour** of the Sunnyvale facilities, or to receive a prompt quotation for your sheet metal requirements, call **360-452-7308** or email [vjackson@cruzio.com](mailto:vjackson@cruzio.com) today!
